

Terms of Use

Last updated 3 September 2026 • JARTRIVTECH LTD

These terms govern your use of the JarTrivTech public website and the AI assistant named Kaela. They do not, by themselves, create a managed-service or consultancy contract.

1. About these terms

By using <https://jartrivtech.com> you agree to these Terms of Use, the [Privacy Policy](#), [Cookie Policy](#), [Kaela AI Terms](#), and [Acceptable Use Policy](#). If you do not agree, do not use the site or Kaela.

2. Who we are

The site is operated by JARTRIVTECH LTD, company number 17259505, registered office 8 Coverdale, Whitwick, Coalville, LE67 5BP, England, United Kingdom. Contact hello@jartrivtech.com.

UK company law requires us to show our registered name, company number, place of registration, and registered office address on this website. Those details also appear in the footer of every page.

3. Using the website

- You must use the site lawfully and in line with the [Acceptable Use Policy](#).
- We may change, suspend, or withdraw pages or Kaela without notice.
- Content is provided for general information about JarTrivTech. It is not an offer capable of immediate acceptance unless we say so in a signed proposal or order.

4. Kaela

“Kaela” is the name of the AI assistant made available on this website. Kaela is software, not a human representative. Output from Kaela is not a statement of an engineer,

director, or legally binding commitment by JARTRIVTECH LTD unless we confirm it separately in writing. You must read and follow the [Kaela AI Terms](#) before chatting.

5. Our IT services

Descriptions of consulting, support, security, cloud, or deployment work are introductory. Fees, SLAs, processing of client data, and liability for paid work are set only in a separate written agreement (for example a statement of work or master services agreement). Nothing on this website is a consumer distance contract for those services.

6. Intellectual property

The JarTrivTech name, site design, and our materials are owned by us or our licensors. You may view pages for your internal evaluation of our company. You may not copy the site, scrape it at scale, or present Kaela's output as our certified professional opinion.

7. Disclaimer

The site and Kaela are provided "as is". We do not warrant that they are uninterrupted, error-free, or suitable for a particular decision. You remain responsible for how you use any information, including having it checked by a qualified person before you rely on it for production systems.

8. Liability

Nothing in these terms limits liability for death or personal injury caused by negligence, fraud, or any other liability that cannot be limited under English law.

To the maximum extent permitted by law, we are not liable for loss of profits, revenue, data, goodwill, or any indirect or consequential loss arising from use of the public website or Kaela. Our total liability for any claim relating solely to use of this free public website or Kaela is limited to £100.

If you are a consumer (unlikely on this B2B site), your statutory rights are not affected.

9. Governing law

These terms are governed by the laws of England and Wales. The courts of England and Wales have exclusive jurisdiction, except that we may seek injunctive relief anywhere. If a

term is unenforceable, the rest remains in force.

We may update these terms by publishing a new version on this page. Continued use after the effective date is acceptance of the change.
